6300 4" Video Monitor

The Elvox® GALILEO series apartment house monitors are designed to meet virtually any requirement for low-rise and high-rise apartment videointercom security. All GALILEO monitors feature a crystal clear, hi resolution 625 lines, 4" B&W (Models 7000-7001) or Color (Models 7002-7003) image. Memovision (Models 7001, 7003) video answering system store up to 16 still images of visitors with date/time stamp. All GALILEO monitors can be combined with any GALILEO series handset enabling the monitors to be used in virtually any Elvox system (sound system, NoCoax, DigiBus, etc). Optional wall plates and desk kits allow monitors to be used stand-alone or mounted with GALILEO handsets.
