LIMITED WARRANTY

LEE DAN warrants all products bearing the *LEE DAN* name to be free from defects of material and workmanship, under normal use and service, for a period of one (1) year from date of delivery, and will repair or replace (at our option), free of charge, any unit that is found to be defective and returned to us under warranty.

All other products distributed by *LEE DAN* (made by others), are covered by the manufacturer's warranty. Cameras and software carry a 90-day warranty. This warranty shall not apply to any *LEE DAN* products which have been subject to misuse, neglect, accident, modification, water, fire, lightning, paint, contamination, or to use in violation of instructions furnished, nor extended to units which have been repaired or altered outside of the factory.

Warranty does not cover batteries, bulbs, fuses, or damage caused by batteries used with product. *LEE DAN* reserves the right to make the final decision whether there is a defect in materials or workmanship, and whether or not the product returned is within the warranty.

This warranty covers bench repairs only. *LEE DAN* will not be responsible for any costs incurred involving on-site service calls, or component replacement. Repair or replacement by others, transportation, labor charges, loss of service, indemnity, etc., are not covered by this warranty, and no responsibility for same will be assumed by us. Our liability does not extend to consequential damage(s).

LEE DAN applies stringent testing and quality control standards. Warranty labels are affixed to our products, indicating the month and year an item was shipped. Altering, tampering, or removal of our warranty label voids all warranties, expressed or implied.
