

2-GANG STAINLESS APT. STATION

APPLICATION

The IR207B (IR-207B) Apartment Stations are rugged, dependable units combined with advanced electronic design to provide natural, clear voice communication and positive door release operation.

These versatile stations may be used in large or small buildings and feature a wide variety of optional accessories to provide needed additional functions, such as multiple entrance, post office door release, timed door release operation, etc.

FEATURES

- Simple push button operation
- Easy installation
- Advanced design
- Automatic privacy
- Clear voice quality
- Rugged and reliable
