

## SURFACE MOUNT BACK BOX

### APPLICATION

The IH528 (IH-528) Surface-Mount Single-Gang Plastic Back Box is for use with the Tek-CARE®500 Wireless Emergency Call System. The back box is used to surface mount the SF529 Check-In/Assistance Station or the SF531 Emergency Switch.

The IH528 is constructed of durable ABS plastic to coordinate with the emergency switches, and does not interfere with wireless transmission signals. The back box includes mounting holes on the back for attachment to the wall.

### FEATURES

- Durable ABS Plastic
- Mounting holes front and back

### SPECIFICATIONS

*Dimensions:* Height: 4.5" (115 mm)  
Width: 2.85" (72 mm)  
Depth: 1.38" (35 mm)  
*Plastic:* 3.00 mm thick

*Material:* ABS plastic

### REQUIRED COMPONENTS

Tek-CARE®500 Wireless Emergency Call System  
SF529 Check-In/Assistance Station

Surface Mount Box

### ARCHITECTS' AND ENGINEERS' SPECIFICATIONS

The surface-mount single-gang plastic back box shall be TekTone® IH528 or approved equal as supplied by LEE DAN®. The IH528 shall be of plastic construction for durability and for unhindered wireless signal transmission.

The IH528 shall be used in wireless applications for mounting the SF529 Check-In/Assistance Station or the SF531 Emergency Switch. Mounting holes shall be provided on the back for easy mounting to the wall, and on the front for easy mounting of the emergency switch to the back box.

*TekTone® has designed Tek-CARE®500 to work as a system. Its NC501 Master Station Computer has been carefully designed and matched to work with Tek-CARE®500 wireless and wired peripherals. TekTone® will not warrant or support components of Tek-CARE®500 that are purchased separately unless the components are add-ons to previously sold systems. TekTone® will also not warrant or support a system that is a mix of TekTone® and Non-TekTone® parts, unless prior permission has been obtained. A site survey must be performed and submitted before ordering a Tek-CARE®500 system. In order to track our systems and to inform facilities of software upgrades, full site information (site name, address and phone number) will be required when ordering. Site information and NC501 warranty numbers will also be required when requesting technical support.*
